IF YOU CAN'T STAND THE HEAT...

Teagan O'Malley can handle a crisis. She's a paramedic, it's her job. But she never expected to land in the kitchen of her father's pub, with no notice, no cash, and no room for error. The kitchen is not her favorite place. Lucky for her, she just scraped a bad-boy chef off the pavement after a motorcycle accident—and something about him says he can turn up the heat in more ways than one.

Adrian Holt has had a rough few years, and he's not eager to get tangled up in anything more complicated than a good risotto. But with a broken arm and a head full of bad memories, he needs a challenge to keep him sane. Teagan's dare-me attitude and smoldering mess of a bar are just what the doctor ordered. And the two of them together might cook up some even better medicine...

From a fresh, authentic voice comes the powerful tale of Tiffany, a woman trying to find her way toward a better life, though the hard world of the street keeps getting in the way.

Tiffany is trapped in a life she never wanted for herself. The man she fell in love with turned out to be a lazy, good-for-nothing womanizer. Night after night Tiffany comes home to Blake's physical, mental, and verbal abuse. She's tried leaving in the past, but somehow he always finds her. Each time, she comes back and convinces herself things will get better. Then one day Blake beats her for the last time. Tiffany decides death is the only way out—and she's not the one being buried. Her life takes a drastic turn as she attempts to live the life she's always wanted.

Lucky and Quick are childhood friends trying to make a name for themselves. They have been working corners, proving their loyalty to the streets and waiting for their big break. When they finally get the chance to prove themselves, they quickly climb up the ladder and find themselves working for the top dogs. Everything happens so fast that they end up on opposite sides of the fence and become enemies.

Quick and Tiffany meet under unfortunate circumstances, but they instantly connect and fall in love. Tiffany is pulled into Quick's street world full of lies and revenge. Lucky and Quick are constantly going against each other, and the friendship seems to be lost forever. When the opportunity comes along for both of them to be on the top spot, will they be able to rekindle the friendship?

She's back, and this time it's all about revenge.

Tall, dark, and handsome bestselling male author Xavier Preston thought his nightmare—in the form of Pilar, a fanatical stalker/fan—had finally ended. Little does he know it's only beginning.

When Xavier met Pilar, he got much more than he bargained for. What started out as an erotic one-night stand quickly turned into a dangerous game of obsession and pain, with both parties playing to win. Then she simply disappeared.

Stunning Pilar hasn't gone away, though. In fact, she has been very near, watching his every move and patiently waiting for him to realize they were meant to be together forever. She still believes they're soul mates, and the only option for her is "Until death do us part." If she can't have Xavier, then no one can. Now no one is safe—not his friends, and definitely not him.
