PRAISE FOR FERN MICHAELS  
AND HER SISTERHOOD NOVELS

"Surprise! Readers thought Michaels' Sisterhood series ended and they would not get any more adventures with the sisterhood. But, boy, do they get a doozy with the 21st book in this beloved series. Characters are written well, and very well thought out, and the storyline is like a grand roller-coaster ride, with dips and sharp curves. Michaels has outdone herself in this one." —*RT Book Reviews*, 4 Stars on *Gotcha!*

"A darkly wicked thriller of revenge that doesn't start out that way - it somewhat starts out cozy and ends close to *Reservoir Dogs* territory... a page turner."

—*Parkersburg News & Sentinel* on *Gotcha!*

"There's nothing quite like watching the Sisterhood take on corruption and injustice."

—*RT Book Reviews* on *Home Free*

"Michaels' long-running series never disappoints and the ladies' next adventure will keep readers turning the pages into the night." —*RT Book Reviews*, 4 Stars on *Déjà Vu*

An Irish redhead of humble beginnings and modest means, Kathleen Doyle is the antithesis of Chief Inspector Michael Sinclair, Lord Acton, the brilliant but enigmatic lord with a knack for solving London's most high profile homicides. When a horse trainer is found dead at a racetrack, the duo's investigation does little to deter the killer at large. Jeopardizing the case are their colleagues at CID headquarters, whose nosing into the nature of Doyle and Acton's after hours relationship threatens to lay bare the most classified information of all. As the murders pile up, Doyle and Acton uncover something far more sinister than they could have imagined. Now that they know too much, their partnership could be very brief indeed...

It's one of the strangest trials in Colorado history. A "spirit photographer" is accused of fraud, and Ophelia Wylde agrees to examine the man's ghostly portraits and testify in court. In a sealed room, she is presented with five photographs. Four are obvious fakes. But one photo—featuring a powerful politician, Jackson Miles, with a sorrowful ghost in chains behind his shoulder—is the real McCoy. When Ophelia makes contact, the spirit is in such agony that she's unable to learn anything but his name: Angus Wright. Intrigued, Ophelia sets out to learn more about the wronged Mr. Wright and discovers he was murdered nearly twenty years ago during the Gold Rush. The politician is somehow involved, and Ophelia has to watch her step. *Because the living are much more dangerous than the dead...*

This compelling real life thriller tells the horrifying true story of Brianna Dennison, a 19 year old college student who was abducted while sleeping on a friend's couch and then brutally raped and murdered.

Beautiful, beloved college sophomore Brianna Denison was home for the holidays in Reno, Nevada. After a long night out, she crashed on a friend's couch. It would be the last time the child psychology major was seen alive. Her strangled body was found in a field nearly a month later.

But Brianna was not the first victim of a murderer with a disturbing fetish, and the patience to search for his favorite prey—petite, vulnerable brunettes. In unflinching detail, Gary C. King recounts the hunt for James Biela, an ex-Marine turned rapist and killer. The investigation would lead authorities to a maze of troubled relationships, crucial DNA evidence, and ultimately a death sentence—bringing this shocking true-life thriller to a chilling end.
