Vanessa Kelly's Renegade Royals are back! And these feisty heirs to the throne are in hot water from their hijinks yet again, this time finding young spitfire Eden Whitney escaping to the Scottish Highlands to mend her reputation, which might be a tad difficult with the handsome yet exasperating Alasdair Gilbride as her traveling partner...

At sixteen, Alasdair Gilbride, heir to a Scottish earldom, fled the Highlands and an arranged betrothal. Ten years later, Alasdair must travel home to face his responsibilities. It's a task that would be much easier without the distracting presence of the most enticing woman he's ever met...

After one escapade too many, Eden Whitney has been snubbed by the *ton*. The solution: rusticating in the Scottish wilderness, miles from all temptation. Except, of course, for brawny, charming Alasdair. The man is so exasperating she'd likely kill him before they reach the border—if someone else weren't trying to do just that. Now Eden and Alasdair are plunging into a scandalous affair with his life and her reputation at stake—and their hearts already irreparably lost...

When Sarah Winston turns Ellington, Massachusetts, into New England's largest garage sale for a day, it's the small town's biggest event since the start of the Revolutionary War—but without the bloodshed. That is, until a valuable painting goes missing...and the lifeless body of an Air Force officer is found in Carol Carson's painting studio, his face perfectly framed with the murder weapon—a metal picture frame.

### IS ANOTHER MAN'S CLOVER

Sarah is mad as heck that someone used her town-wide garage sale to commit a crime—and frame her good friend Carol. She is definitely on this case...but it's not easy rummaging through increasingly strange clues that point to cheating spouses, downright dirty investment schemes—even the mob. And Sarah will have to be *very* careful if she wants to live to bargain another day...
