There are two victims so far—their bodies found frozen solid and deliberately displayed. Both are women she knew. And each wears a piece of Selena's jewelry.

Selena's partner, Detective Regan Pescoli, and the entire department are on the case, as is P.I. Dylan O'Keefe—a man Selena got too close to once before. But this killer already knows too much about Selena's secret terror, her flaws, and the past she's tried to outrun. And soon he'll show her that she has every reason to be afraid.

Once, she was one of the good guys—or as close as a New York P.I. can get. Then Shierra Waynest was drawn into the world of the Others. Every faction has its own loyalties and agenda. And Shia's recent betrayal by her ex-boyfriend means that she may be on the verge of becoming a rogue werewolf at the next full moon.

Of course, with all the threats against her, Shia's not sure she'll live long enough to find out. The enigmatic vampire Royce wants her back in his clutches, as do two powerful werewolf packs, along with the police. Instead of going into hiding, Shia is enlisting the aid of her enchanted hunter's belt and every dirty P.I. trick she knows. If she's going down, she'll take out as many of her enemies as she can—and hope that in the process, she keeps whatever humanity she has left.

As Dana readjusts to life back home with her recently widowed mother, her latest career move isn't exactly a piece of cake. In fact, it's all tofu fish sticks, stuffed squash blossoms, and enough wheat grass shots to scream bloody murder—especially when Dana discovers the body of Maxwell Mendelsohn, Hollywood producer and opening weekend guest, deader than a yoga corpse pose. While Dana pens the Spa's blog and balances the attentions of the local police and reporter Jason Forrester, her escalating job duties now include finding clues, motives and suspects. One thing's for certain, she better act fast before all this healthy living kills her.

In the second blazing book in their *USA Today* bestselling *Savage Texas* series, master storytellers William W. Johnstone and J. A. Johnstone set their sights on Texas—and the men and women who sowed their sweat and blood into the land.

In Hangtree, Texas, any day could be your last. For on the heels of the Civil War, Hangtree is drawing gamblers, fast women and faster gunmen. Amidst the brawls and shooting, the land-grabbing and card-sharking, two men barely hold the boomtown together: A Yankee named Sam Heller and a Texan named Johnny Cross. Heller and Cross can't stand the sight of each other. And Hangtree needs them more than ever.

A Comanche named Red Hand leads a horde of warriors on a horrific path of bloodshed and destruction, with Hangtree sitting right in Red Hand's path. For a town bitterly divided, for Heller and Cross, the time has come to unite and stand shoulder to shoulder—and fight, live or die for their little slice of heaven called Hangtree.
