Not to mention the powerful wildness he's always felt inside him, too dangerous to set free. Then he met Astrid Bramfield and saw his likeness within her piercing eyes. Now, unless she helps him through the harsh terrain and the harsher unknowns of his true abilities, it could very well get him killed...

Astrid has traveled this path before. Once she was a Blade of the Rose, protecting the world's magic from unscrupulous men, with her husband by her side. But she's loved and lost, and as a world-class frontierswoman, she knows all about survival. Nathan's searing gaze and long, lean muscles mean nothing but trouble. Yet something has ignited a forgotten flame inside her: a burning need for adventure, for life—and perhaps even for love...

Delilah Dickinson's literary travel agency is a hit! But the latest package tour, a leisurely steamboat trip down Huckleberry Finn's Mississippi, delivered one dead passenger. As it turns out, Ben Webster made a few enemies before he expired by trying to slug a roulette dealer. Delilah knows the steamship's no-nonsense head of security definitely is dirty and low-down and just plain old mean...but could he be a murderer? Pretty soon her list of suspects is longer than the Mississippi is wide...not to mention she's taken quite a shine to Mark Twain himself—or rather Mark Lansing, the handsome actor playing Huck Finn's scribe for the tour. Of course, things just aren't ever what they seem when Delilah's at the helm, and one tricky murder turns into two and things start to get pretty dicey on yonder steamboat. Hopefully, Delilah can nab the killer before she's too many fathoms deep.

The first victim is attacked in her home, tied to her bed, forced to watch every unspeakable act of cruelty—but unable to scream. The second murder is even more twisted. Signed, sealed, and delivered with a message for the police, stuffed in the victim's throat. A fractured nursery rhyme that ends with a warning: "*There will be more.*" For detective Jack Murphy, it's more than a threat. It's a personal invitation to play. And no one plays rougher than Jack. Especially when the killer's pawns are the people he loves.

PRAISE FOR *THE CRUELEST CUT*

"This is as authentic and scary as crime thrillers get... A very good and fast read."

—Nelson DeMille

He is a member of International Thriller Writers as well as Mystery Writers of America. Rick Reed lives in Evansville, Indiana (Louisville, KY).
